COMPANY OVERVIEW

Connecting Origin, Preparation and Buyers

PT Agri Sukses Exportindo is an Indonesian agro-export partner based in Jakarta with supply access and product consolidation support in Papua. The company focuses on selected commodities, buyer communication, product preparation, and export documentation support for international business needs.

Jakarta Head Office

Buyer communication, quotation, documentation, and export coordination.

Papua Supply Chain

Sourcing support, local collection, product consolidation, and pre-shipment preparation.

Buyer Focus

Clear product information, responsive communication, and long-term supply partnership.

Rural Value

Supporting wider market access for local farmers and community-based agro production.

From selected origin to global buyers

Our role is to make product readiness, communication, and documentation clearer for buyers while opening broader access for local agro supply networks.
